## YOU DESERVE TO FEEL SAFE

Feeling physically, mentally, and emotionally safe are basic human rights that every person and child deserves. Unfortunately, intimate partner violence occurs in homes of every type, among partners of every construct, and often silently torments its victims when they are at work, social activities, and even completing daily tasks. We understand, and we want to help.

## Our Mission

The Iowa Coalition Against Domestic Violence seeks to engage all people in a movement to change the social and political systems that perpetuate violence. We do this through education, advocacy, and quality services.

## IOWA VICTIM SERVICE PROGRAMS

## VICTIM SERVICES & LOCATIONS

We support a network of survivor victim service provider agencies that connect survivors and their families to services in their communities throughout all 99 Iowa counties.
